# Original Narrative

## VSDL/Possession of Drug Paraphernalia/ Contraband Seized/Arrest

On 3-4-17 at 1955 hours we had the occasion to arrest Offender #1 (Logan T. Reicholf) for VSDL and possession of drug paraphernalia. He was also booked at CPU for UTT for DUS. Below are the facts of the arrest.

On 3/4/17 at 1930 hours while assigned to z/c 3A22 in the company of PO Navratil #1627 while on patrol in Zone 2 of the 3rd district we initiated a traffic stop on ( [REDACTED] MTR ) for change of course. The vehicle's left front turn signal was not functioning when the vehicle made a left turn from E. 55th southbound onto Broadway eastbound. We stopped the vehicle in front of 5855 Broadway. P.O. Navratil approached the driver side of the vehicle and advised the driver of the reason for the traffic stop and requested his driver's license and proof of insurance. Mr. Reicholf, the driver of the vehicle, stated that he did not have an I.D. on him and that the vehicle belonged to his brother. At that time PO Navratil had Mr. Reicholf exit the vehicle and accompany him to the rear of his vehicle where he stated to PO Navratil that he did not think that he had a valid driver's license. PO Navratil then patted him down for weapons before handcuffing him and placing him in the back of my Z/C. Once in the ZC I ran Mr. Reicholf on our MDT and confirmed that he did not have a valid driver's license. I checked Mr. Reicholf on channel 9 and it came back that he had warrants with the City of Cleveland for possession of Drug Paraphernalia dated 2-9-17. At that time we advised Mr. Reicholf that he was under arrest for the warrant and we would book him at CPU for the traffic violation.

We then checked the passenger of the vehicle, Interview #1 (Erick L. Busch) on channel 9 and she checked clean. PO Navratil went up to the vehicle to advise her that Mr. Reicholf was under arrest and we were going to tow the vehicle (Ms. Busch did not have a valid driver's license) when Ms. Busch was exiting the vehicle PO Navratil observed a cap to a hypodermic needle lying in plain view on the front passenger floor. The needle cap along with the fact that we first observed the vehicle parked in front of 3242 E. 57th (a house citizens have told us there is frequent drug activity at) at that time PO Navratil found a clear glass cylinder (pipe) with charcoal stuffed in the end and a used (empty) hypodermic needle in the center console. PO Navratil then found several small pieces of paper abled up on the back seat of the driver's side (commonly used to package heroin). One of the pieces of paper had a small amount of suspected heroin in it. There was also a Narcan kit in the vehicle.

PO Navratil brought the pipe and suspected heroin back to the ZC and asked both Mr. Reicholf and Ms. Busch who it belonged to. Both of them denied that they owned the drugs and pipe. Eventually Mr. Reicholf stated that he was the owner of the drugs and pipe. Mr. Reicholf stated that he has been using MEDIC for 8-9 years but has been clean for several months before he started using again approximately 2 weeks ago.

The evidence was seized and MT&E at the 3rd district

Ms. Busch was released.

Vehicle towed VIU 4620

Conferred with 3S23 Sgt. Stacho via phone

UTT 2437981 for DUS 435.01A and change of course 431.05 issued to Mr. Reicholf

Mr. Reicholf was booked and housed at CPU DNA collected (Check negative for DNA on 9 by Roper #100)

Request 3rd district vice unit to follow up.
