**FACTS CONSTITUTING PROBABLE CAUSE**

CPD Case # 18-14705: On 12-28-2018, I, Inv. Kyle Krogman, was notified about an arrest made by Officer R. Shumate #398 on Sydney Sentell.

Narrative from R. Shumate (CPD #398) - CPD Report # 18-14705

On 12-28-18 at approximately 1413 hours I observed a Red 2018 Dodge Charger traveling south on Donaghey over the rail road tracks at Tyler Street. I observed the vehicle speeding and once I got behind the vehicle I observed the vehicle traveling 40 mph in a 30 mph zone. I initiated a traffic stop on the vehicle at Donaghey and Louvenia Avenue. I made a driver's side approach and made contact with the driver (Tevin Oliver) and front seat passenger (Syndey Sentell). I advised them of who I was and the reason for the traffic stop. I immediately detected the odor of marijuana coming from the vehicle. I asked Mr. Oliver for his driver's license and insurance for the vehicle. Both Oliver and Sentell had suspended license and the vehicle belonged to Sentell. I went ahead and had them call to get someone to come get them and the vehicle before conducting a probable cause search due to the odor of marijuana.

I asked Oliver to step out of the vehicle and then asked him about the odor of marijuana. He told me that there was 2 ounces under her (Sentell) seat that his friend Marcel Cooper had left after he dropped him off at an address on Linda. I had Sentell step out of the vehicle as well and conducted a probable cause search of the vehicle. I located approximately 3 ounces of marijuana in a plastic sack under the front passenger seat. Being a misdemeanor amount of marijuana I did not intend to make an arrest at that time. Oliver told me that Cooper had gotten into his vehicle and he drove him over to the house on Linda and that Cooper had told him that he was going to leave the marijuana with him. This did not make sense to me because I have never heard of this happening and people don't just leave their drugs with others for no reason. I gained consent to look at text messages on Oliver's phone which he still had in his possession. He unlocked the phone and pulled up the text messages and handed it to me. I observed a message from 12-26-18 from an 870 area code phone number asking Oliver if they could get that for \$50 and he said yes and to go to the house and Sydney would be there. I asked Oliver about that message and he stated that he did sell then but that was the last time he had any. Oliver still stated that the marijuana in the vehicle was Marcel's. Oliver told me that when he does sell he only sells an ounce at a time. I handed his phone back to him and then spoke with Ms. Sentell. I explained to her that Oliver had let me look at his text messages and that there were messages about selling marijuana. I explained to her that I did not believe that they were "big time" drug dealers. She advised that they weren't and it could be seen by the way they were living. I agreed with her and asked about the message that stated that she was home and for the person that texted to go there to get \$50 worth. Ms. Sentell explained that it was a female and that it was before 3pm because Mr. Oliver was at work. She stated that she only would sell to a woman and only when Oliver was not there. I asked how often she sells for him (Oliver) and if it was only when he was at work and she stated yes. I explained again that she was not in handcuffs and that I wanted to work with them. I did not intend on making an arrest and wanted their cooperation like they had been. She then told me that Oliver and her rode to the house on Linda together to "re up" and get that marijuana. I then had Oliver come back over and spoke with both at the same time. I explained to them both that they were not in handcuffs and that I already had someone come and get them and their vehicle to show them I did not intend on arresting them. I told them that I was about to let them walk (leave).

I spoke with Oliver by himself getting more information about Marcel and how it worked. Oliver told me that he got what he had left. I had Investigator Smith and Krogman come to the traffic stop. While they were enroute I explained again that they would not be arrested today and that they were about to be leaving. When they arrived we spoke with Oliver and he advised that he was "fronted" that 3 ounces of marijuana and that he owed Marcel \$500 for it. Oliver stated that he would sell the marijuana for \$10-\$20 a gram to make money over the course of 1-2 weeks. Oliver agreed to ride with Investigator Krogman and Smith to show them where the house is located on Linda. I released Sentell and the vehicle (someone had arrived to drive the vehicle for Sentell). The marijuana was taken to the Conway Police Department and sent to the crime lab for analysis.

I swear that the allegations contained herein are the truth, the whole truth and nothing but the truth.
